Get hip to the latest tee shirt design trends. Wear your Blood is the New Black screen printed tee shirt and draw a rowdy crowd. This So-Cal boutique sells the freshest screen printed tee shirts available in the art world today, and Edge of Urge is tickled to carry the latest Blood is the New Black T-shirt designs.

Blood is the New Black owner Mitra Khayyam mixes business and pleasure in her delightfully bold and gritty printed t-shirts. These lightweight, soft-as-silk tees are showcases for the latest design and graphic trends from up-and-coming young artists. The complete Blood is the New Black tee shirt line explores the range of human emotions and experiences, with t-shirt graphics that run the gamut from whimsical cartoon characters to carefree street art to profound social statements.

Each printed tee shirt is crafted from the softest materials out there, and shaped to hug your body perfectly. There's no itching or pinching; just a pure, smooth fit. The careful, durable stitching and perfectly placed hang-tag transform each Blood is the New Black t-shirt from a prototype to a wearable canvas. You can show off the hottest artistic talent right on your body -- everywhere you go.

Do you like fun, feminine pastel printed tee shirts? Or, are slick, black lines and big graphics more your speed? Blood is the New Black's tee shirts for Edge of Urge feature the mild, the wild – and everything in-between. The cap-sleeved, slimline tee shirts look smooth with grandma sweaters, vinyl jackets, and Hepburn pearls. Make a statement – with ink and cloth. Slide into a smooth, slim-fit Blood is the New Black printed t-shirt.
