golly twist back striped top

grey rose jeans

rose ceramic colored jeans

goddess black denim jeans

goddess brown denim jeans

colored corduroy pants

The music's pumping. The lights are low. Wallflowers skulk in the shadows, sporting low-key cardigans or long sleeve hoodies. The alpha ladies are absolutely smoking, in smudged Kohl eyeliner, tousled hair, and slim fit, sexy denim jeans.

Union Jeans' Edge of Urge denim jeans collection is the epitome of rock-and-roll lust. Wild child, hang on for the ride.

Each pair of Union Jeans denim begins with tough cotton fabric, washed and spun to a smooth, artisan finish. The chic cuts include low-rise rockers' straight leg jeans, bold boot cuts, and flirty flared denim numbers. The slouchy, sultry denim jeans feature a hint of stretch for a super -slim fit, and Union Jeans' signature pocket details and stitching. The line also features ultra-cute, long sleeve hoodies and grandpa cardigans for cooling down after a hot night.

Channel the spirit of 1990s Seattle in Union Jeans' flare leg distressed denim, the "Jerrah" stripe grandpa cardigan, and your Dr. Martens or Chucks. Strut like a Stray Cat in the "Rose" grey denim straight leg jeans and your high-heeled best. Snuggle with your sweetie under an afghan while wearing Union Jeans' "Kip" brown long sleeve hoodie...and not much more.

Live for the moment. Flirt like it's the weekend. Show some skin in denim...or leave everything to the imagination with a classic hoodie or cardigan. Union Jeans' denim jeans and urban wear collection makes rock 'n' roll magic.
